HOG·WILD·SALE

It happens every year. One day we turn around and the store has become a pig pen chock full of last season's merchandise, weird & wonderful overstocks and even a few scratched and dented lovelies near the back. (by the way, we really do appreciate everyone coming by during the holiday season, but the conga line has got to go). And so, with truckloads of new spring items due to arrive and no room to display them, we feverishly root around for an idea.

PaperSkyscraper

Then, inspiration strikes, and our Hog Wild Clearance Sale comes to life.

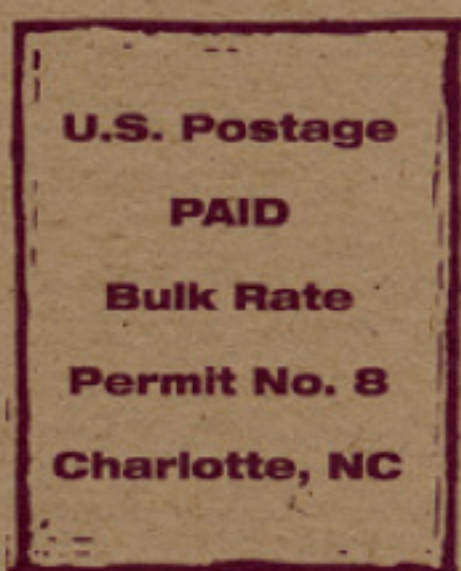

If you have a good nose for bargains, just save up a little of that pesky spare change and drop by for some snorting good buys. **February 23-26**

Do come see us at Paper Skyscraper. We'll be glad you did.
